### An American Childhood Annie Dillard

Already at twenty-three, childhood seems to me a very remote region of my past, and as I was impinged upon with a small pang of nostalgia for youth, I picked up Annie Dillard's An American Childhood - her memoir of her Pittsburgh youth. While there are a number of poignant moments, and elegant turns of phrase, the work as a whole feels a bit shallow, a bit too much on the surface of things.

### An American Childhood by Annie Dillard - Goodreads

An American Childhood is a 1987 memoir written by Pulitzer Prize-winning American author Annie Dillard. In it, Dillard remembers her childhood and adolescence and describes her life growing up in...

### An American Childhood Summary - eNotes.com

Unlike other memoirs, An American Childhood flouts the traditional coming of age trope. Instead, Dillard focuses on awakening from the self absorpton of early childhood and entrance into the greater world. In a sense, she chronicles the Lacanian moment of self awareness, and does so lyrically and deftly.

### An American Childhood Summary and Study Guide | SuperSummary

Annie's father left his family for a little while when she was a child, but none of them felt abandoned, because it was a family decision for him to go. Her father took his boat down the Allegheny River to New Orleans, which had been on his bucket list ever since he read about boat trips in a book.

### An American Childhood Summary | GradeSaver

Annie Dillard said that the snowball chase was the most thrilling moment of her life because it required more of her than ever. I think that she wrote "An American Childhood" because she wanted to share her favorite moment in life with young readers around the world. She probably wanted to share this with everyone because she must have felt like everyone should experience that moment in a way and enjoy it too.
