...

A right is inalienable if it cannot legitimately be waived or transferred. Since voluntary euthanasia entails waiver of the right to life, the inalienability yields that it cannot be justified. Therefore, any ethical position that is in favor of voluntary euthanasia has to argue that the right to life (...)

Animal euthanasia (euthanasia from Greek: ; "good death") is the act of putting an animal to death or allowing it to die by withholding extreme medical measures. Reasons for euthanasia include incurable (and especially painful) conditions or diseases,[1] lack of resources to continue supporting the animal, or laboratory test procedures.
