Keep it natural. High-quality hardwoods, such as oak or cherry, are the most common materials in the craftsman design style, often stained with a warm shade that accentuates the wood's natural grain. These warm-hued woods are often complemented by natural tones like dark green, gold, burgundy, or burnt orange.

From the Editors of Woodworker's Journal CRAFTSMAN FURNITURE Projects Craftsman-style furniture is a favorite among woodworkers: the designs are straight, the materials are solid, and the projects require ordinary tools and simple techniques. And, when the sawdust settles, everybody loves the finished piece; it's unpretentious, functional, and very comfortable.

What we know today as the Craftsman style was originally a subset of the Arts and Crafts Movement and is short for craftsmanship. It lasted from about 1890 to 1920 and was a style prominent in America.In the U.S., in a country that praises democracy, the movement was most appealing to the middle class.
