### Foundations of Higher Mathematics | Department of Mathematics

title like 'Foundations for Higher Mathematics', taken by students who have completed the regular calculus sequence. Some of these students plan to become mathematics majors. Others just want to learn some more mathematics; but if what they are exposed to is interesting and satisfying, many will choose to major or double major in mathematics.

### Transition to Higher Mathematics: Structure and Proof

'the equation  $x^2 + 1 = 0$  has no solutions' is false. Examples such as this one emphasize how important it is to be perfectly clear about the context in which a statement is made. The universe of discourse for a particular branch of mathematics is a set that contains all of the elements that are of interest for that subject.
