The Foundations of Social Research: Meaning and ...

Crotty presents an well written, well considered introduction to a range of epistemological foundations. This book is absolutely essential for any social science researcher, particularly those who are interested in better understanding the philosophies that underlie widely used research methods.

The Foundations of Social Research: Meaning and ...

Report this review. Crotty's "The Foundations of Social Research" is almost two decades old but still one of the best introductions to the philosophy and methodology of the social sciences. It provides a comprehensive approach to rather complex issues and assumptions. A modern classic!
