Harmonization Of Islamic Law In

The potential for disharmony is very possible. The question is, how was the birth of Islamic banking legislation in Indonesia, the methodological model used in harmonizing the laws in the Sharia banking Act. The purpose of this paper is to expose the process of drafting Sharia banking regulations. The application of the istimbath method or the method of legal discovery is used as a basic argument in the reform of Islamic banking law that is meaningful and guarantees legal certainty.
