The Porsche 993 is the internal designation for the Porsche 911 model manufactured and sold between January 1994 and early 1998 (model years 1995-1998 in the United States), replacing the 964. Its discontinuation marked the end of air-cooled 911 models.. The 993 was much improved over, and quite different from its predecessor. According to Porsche, every part of the car was designed from the ...
