The Benefit And The Burden

"The Benefit and the Burden" is a layman's guide through the jungle of a tax system that, thanks to rented politicians and anti-tax ideologues like Grover Norquist, enable the one percent to make off like bandits while our national debt soars sky-high."--Bill Moyers

The Benefit and The Burden: Tax Reform-Why We Need It and ...

By tracing the history of our own tax system and assessing the way other countries have solved similar problems, Bruce Bartlett explores the surprising answers to all these issues, giving a sense of the tax code's many benefits—and its inevitable burdens. From one of the most respected political and economic thinkers, advisers, and writers of our time, The Benefit and the Burden is a thoughtful and surprising argument for American tax reform.

The benefit and burden must be conferred in the same transaction; The benefit must be conditional upon (and relevant to) the burden; and; The successor in title must have been afforded the opportunity to renounce the benefit (and in doing so be released from the burden).

Positively liable: benefits and burdens

The Benefit and The Burden is a spirited and insightful examination of the need for American tax reform—arguably the most overdue political debate facing the nation. The United States Tax Code has undergone no serious reform since 1986. Since then, loopholes, exemptions, credits, and deductions have distorted its clarity, increased its inequity, and frustrated our ability to govern ourselves.

Like assignment, novation transfers the benefits under a contract but unlike assignment, novation transfers the burden under a contract as well. In a novation the original contract is extinguished and is replaced by a new one in which a third party takes up rights and obligations which duplicate those of one of the original parties to the contract.

Assignment and novation

He said: "It is trite law that it is, in any event, impossible to assign "the contract" as a whole, i.e. including both burden and benefit. The burden of a contract can never be assigned without the consent of the other party to the contract in which event such consent will give rise to a novation."
