Body language is an element in communication that we should be very much aware of because it gives clues to the character, emotions, and reactions of an individual. Our state of mind is expressed in our body language. For example, if we doubt something we hear, we raise an eyebrow. If we feel puzzled, we scratch our nose.

## **BODY LANGUAGE - The WCA**

This book is dedicated to the potential hazards of trees. It shows the reader how a tree breaks, why it breaks, why perhaps it breaks too soon, and how it gives out a warning. In most cases the tree gives out a silent sign in its body language. It draws attention to many types of potential fracture points by producing symptoms.
